Ref No: OEPS/004/2020

2 January 2020

Dear Parents/Guardians

TRAFFIC MATTERS AND ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children may not have the skills required to use roads properly and do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

2. This letter reiterates the road safety policies of the school:
 - a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
 - b. Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
 - c. Do not sound the horn indiscriminately
 - d. Reinforce correct road safety behaviour such as using pedestrian crossings, and avoiding jaywalking or using a handphone while crossing.
 - e. Remind your children/wards to practise the kerb drill before crossing – “look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly”.
 - f. If your child/ward must cycle to school, ensure that he/she knows safe cycling rules and is a competent cyclist.
 - g. If your child/ward rides scooter to school, please ensure he/she do not speed while scooting.
3. We would like to bring your attention to the following traffic and transportation measures that the school has put in place:

Arrival

- Parents/guardians are to alight their child/ward at the designated drop-off/pick-up point. Please follow the directions as guided by the school staff.
- Parents/guardians are encouraged to get your child/ward ready with the pocket money or lunch box before he/she leaves the home. Let your child/ward has his/her school bag ready with them when the vehicle move to the designated drop-off/pick-up point to avoid holding up traffic. Do adhere to the drop-and-go.

- Do not make illegal U-turns along the road outside the school after alighting your child/ward. This will help to avoid holding up traffic and ensure smoother traffic flow.

Dismissal

- Refrain from parking on both sides of Fidelio Street while waiting for your child/ward. You are strongly encouraged to park your vehicles along Swan Lake Avenue and to pick up your child/ward from the school's canteen gate. *[Please refer to Advisory Note on Parking Regulations outside Opera Estate Primary School]*
 - If you do not see your child/ward at the alight/pick-up area, please move ahead and wait along Swan Lake Avenue or further down Fidelio Street.
4. During inclement weather, the following arrangement will take place:

Arrival

- Parents/guardians can drive into the school to alight their child/ward at the designated drop-off point in the school compound. Please follow the directions as guided by the school staff.
- For the safety of your child, he/she must alight on the left side of the vehicle (nearest to the building). School staff would be there to direct your child to the assembly area. Do adhere to the drop-and-go.

Dismissal

- To facilitate pupils' boarding the school buses, parents/guardians can drive into the school to pick up their children after all the school buses have left the compound at about 2pm. Only for Wednesdays when school dismisses at 12pm, you may drive into the school after 12.30pm.

5. We would also like to remind parents/guardians to turn off your vehicle engine when you are waiting for your child/ward during the dismissal. This is to keep in line with the NEA advisory on Idling Vehicle Engine where motorists caught leaving their engine idling for a second or subsequent time may compound the offence by paying a composition sum of \$100.

6. Our student population is close to 1000 and many of our children are crossing the road every day. The views of the drivers are largely compromised with traffic congestion. With your partnership and understanding, we sincerely hope that you could adhere to the above measures. These would alleviate the traffic situation outside the school and to achieve better air quality to safeguard public health. Your co-operation would be greatly appreciated.

7. For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules. We thank parents and guardians who have been the role models for our children.

ADVISORY NOTICE ON PARKING REGULATIONS OUTSIDE OPERA ESTATE PRIMARY SCHOOL

The Land Transport Authority (LTA) has received numerous feedback regarding vehicles parking indiscriminately outside our school. While we understand the need of parents/guardians having to pick up their child/ward, such inconsiderate parking had caused inconveniences, obstruction and danger to other road users.

2. Under the current Road Traffic Act, any of the above acts constitute to a parking offence. Upon receiving feedback of such occurrences, LTA will take enforcement action against vehicles found parking indiscriminately.

3. For the safety of all road users, we would like to urge all drivers to exercise care and consideration by **not** waiting at these critical areas:

- a. 3 metres within a fire-hydrant;
- b. 6 metres within a junction;
- c. Single white zig-zag line (zebra controlled zone);
- d. Designated parking lot for school buses;
- e. On grass verge and footway; and
- f. At entrances or exits of any other premises.

As a reminder, to further aid you in identifying zebra controlled area, cones will be placed between lamppost 24 to the junction of Swan Lake Avenue (Refer to Annex A) during dismissal time. Please do not remove these cones.

4. We would like to strongly encourage you to park your vehicles at the following locations while waiting for your child/ward:

- a. along Swan Lake Avenue;
- b. further up Fidelio Street (after Jalan Khairuddin); or
- c. further down Fidelio Street (after Swan Lake Avenue)

5. Let us continue to play our part well to make the road safe for all road users.

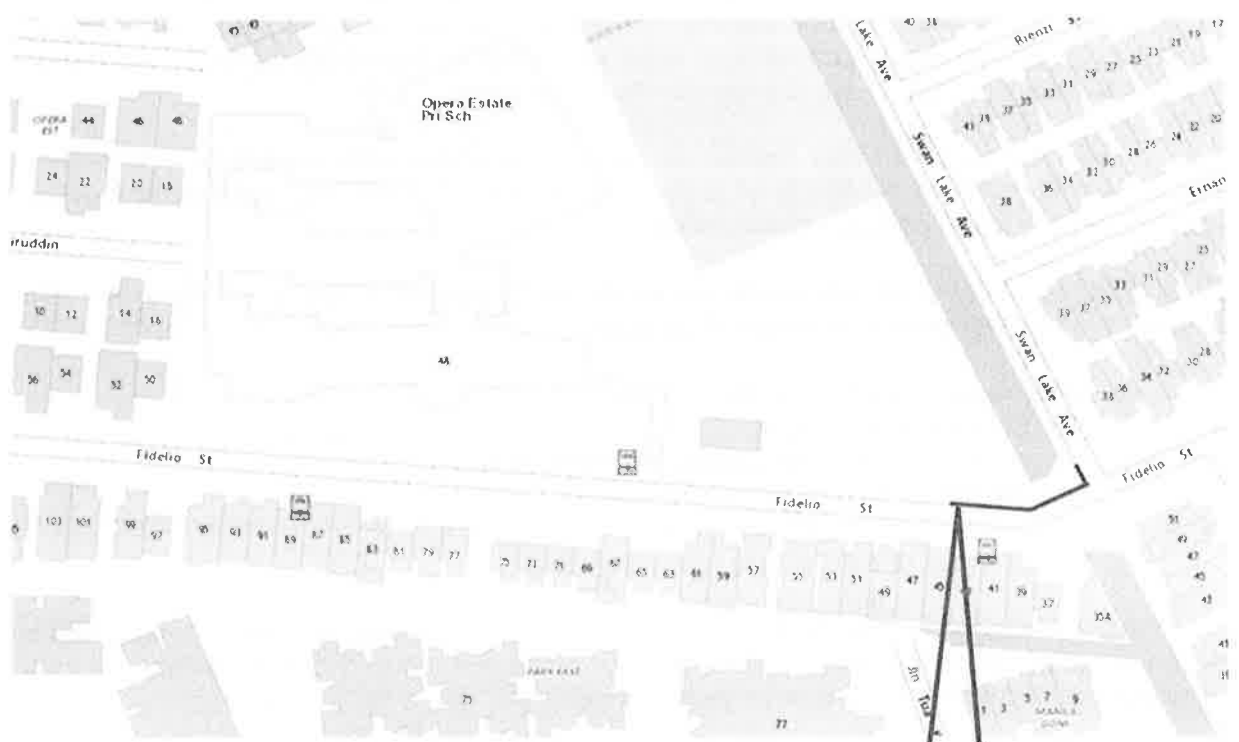

On behalf of SPF and LTA

Mdm Loe Lai Pink
Principal

Land Transport Authority
